Maybe their names were [REDACTED]. [REDACTED] did not remember all the translators HE worked with. HE worked with [REDACTED]. HE used most of the translators. Some males some females. When [REDACTED] arrived, COL PAPPAS was in charge of the MI unit. [REDACTED] was there but I really don't remember what he did. [REDACTED] was also there. [REDACTED] did interact with the MPs when we needed to move a detainees. [REDACTED] never spoke to them about interrogation procedures it was basically small talk. If we wanted to deviate from the Interrogation Rules of Engagement we had to request it and get the request signed by higher. Interrogations were conducted in the booths, Hard Site, in one of the rooms down stair used for storage and the shower room. These were all in Tier 1A. Interrogators also used a room above the MPs office in Tier 1B. Before the mortars [REDACTED] was interrogating in Tier 1A. After the incident with the handgun, [REDACTED] was given the mission by [REDACTED] to interrogate the Iraqi Police. This was conducted in Tier 1B. this is all [REDACTED] did for about a week. [REDACTED] would brief COL PAPPAS [REDACTED] on my results. [REDACTED] did see the use of dogs during interrogations. [REDACTED] (tall male with a beard, civilian) used them during an interrogations after the

incident with the Iraqi Police and the handgun. [REDACTED] stated he knew one needed the approval by LTG SANCHEZ before using dogs. [REDACTED] did not know if [REDACTED] had approval. [REDACTED] said he did use the dogs once or twice but [REDACTED] submitted a request through [REDACTED] who gave it to [REDACTED] then it went to COL PAPPAS and approved by LTG SANCHEZ. The dogs never hurt anyone. [REDACTED] was interrogating. [REDACTED] did recall a time when detainees were wearing female underwear. [REDACTED] is interrogating someone who was wearing the panties. There were a lot of people present; [REDACTED] MPs, JIDC and ICE personnel. [REDACTED] did not remember their names. [REDACTED] never witnessed or had knowledge of any detainee abuse other than the time I was accused by [REDACTED] Linguist of pushing a linguist off a truck. The case was unfounded they were false allegation. [REDACTED] quit when the investigation began. [REDACTED] had no knowledge of any photos being taken or photos with detainees being abuse. [REDACTED] have no knowledge of any video of detainees. [REDACTED] never knew any MI to ask MPs to "soften-up" detainees or give detainees "the treatment." [REDACTED] was then shown some photos in which HE identified [REDACTED] MP and [REDACTED] Linguist on several photos. The photos were of naked detainees bunched up together. [REDACTED] also identified [REDACTED] in a photo with naked detainees all bunched together. [REDACTED] hung around the Hard Site all the time. [REDACTED] then saw three photos of HIMSELF and [REDACTED]. The first photo had a detainee on a chair. HE was in front of the detainee and [REDACTED] was on the side. [REDACTED] did not recall this photo being taken. [REDACTED] didn't realize someone had taken this particular photo. [REDACTED] said he never asked the detainee to sit in the position he was in. [REDACTED] couldn't recall when the photo might have been taken. [REDACTED] did not know where [REDACTED] is now. [REDACTED] said that believe she quit after she went to work with 180th IDF. [REDACTED] they were just friends and nothing beyond that.
