MEMORANDUM FOR RECORD

SUBJECT: Interview of SF Intelligence Sergeant, Deh Rahwod 17 Feb 04

1. The CJTF180 IG interviewed 3 interrogators from TF 1-501 and asked these questions

Q: Where do you maintain your training records?

b(6)-2 & b(7)(C)-2

Training records are maintained by the team sergeant, MSG [REDACTED] Every week we go out to a range for weapons qualification.

Q: What do you allow a captured person to keep on their person?

A: Pretty much nothing. We might permit them to keep eyeglasses, but so far that hasn't happened. There aren't many Afghans wealthy enough to afford eyeglasses.

Q: If a detained person refuses to answer your questioning can you?

Can you threaten the Detainee?

A: It is pointless. You can't get an answer from them.
