Gentlemen, here is the daily I pushed forward from Current Ops. I will rollup both daily as discussed or as you advise.

Currently, I am working 3 briefs all delivered in the two weeks:

1. DAS/VCSA briefing together but need to discuss with you MG Ryder's final portion.
2. Also working with MAJ [redacted] (b)(6)-2 on a separate DO FS brief to the VCSA with prebriefs to the G3 FM tomorrow and G3 on Monday. These briefs will provide critical input to the plan based on G3/VCSA feedback. This is a hot mission for MAJ [redacted] - the product of this brief will be briefed to the CSA in next couple weeks.
(b)(6)-2
3. Working another brief to the VCSA for next Tuesday, which will also cover some I/R & Corrections, as well as CID Case updates.

I will be working the plan this weekend -- is anyone going to be at the Towers? If not, I will work from Pentagon.
