Mr. [redacted] alleged he was captured by U.S. Coalition Forces, taken to a palace in Ramadi, where he was subsequently kicked, electrocuted and struck on the neck by unknown U.S. Coalition soldier(s). Dr (1LT) [redacted] 391st Military Police Battalion, Detainee Aid Station, BCCF, IZ, related he had conducted a medical exam of Mr [redacted] when he arrived at BCCF, who related his allegations. Dr [redacted] related he had found no signs of abuse to Mr [redacted] but the abuse had occurred two months prior to his examination. *b6-4, b7c-4*

Investigation by this office established the United States Marine Corps (USMC) had operational control of the Ramadi area during the time frame of the alleged incident. Further, a review of the documentation provided by Detainee Operations, Camp Victory, Iraq, detailed Mr. [redacted] was in the custody of the United States Marine Corps, Weapons Company, 2/4 Marine Infantry Regiment until his transfer to BCCF on 18 June 2004. The review reflected Mr. [redacted] did not fall under the custody of the U.S. Army until 18 Jul 04 (Exhibit 6). *b6-4, b7c-4*

On 1 Mar 05, this investigation was transferred to the U.S. Naval Criminal Investigative Service, as all alleged abuse occurred while Mr. [redacted] was under custody of the United States Marine Corps. *b6-4, b7c-4*

DETAILS

BASIS FOR INVESTIGATION: On 18 Jun 04, this office was notified by the 391st Military Police (MP) Battalion (BN) Detainee Aid Station (DAS), Baghdad Central Confinement Facility (BCCF), Abu Ghruyeb, Iraq (AGI), that Detainee [REDACTED], National Detainee Reporting System (NDRS) [REDACTED] alleged he was abused while detained at the Ramadi Palace, prior to arriving at BCCF.

b6-4, b7c-1
b6-4, b7c-4

About 1300, 18 Jun 04, SA [REDACTED] received a medical screening report and physical, pertaining to [REDACTED] from the DAS, which detailed his allegation of abuse. (See Medical Screening Report and Physical)

b6-1, b7c-1

b6-4, b7c-4

About 1100, 23 Jun 04, SA [REDACTED], with the assistance of Linguist [REDACTED] this office, interviewed [REDACTED] in reference to his abuse allegation. He stated he was captured on 9-10 Apr 04 in the city of Ramadi by US Forces. He was taken to the "palace" in Ramadi for three days before he was transferred to a second location in Ramadi for 16 days. He was then transferred to a detention facility in Fallujah for about 30 days. He was then transferred back to the second location in Ramadi for 17 days. He was then transferred to BCCF. [REDACTED] alleged during his first three days of capture, while at the first location, he was abused each day. He alleged that the first night two men kicked him and poured water on his head. He described the first man as short, thin, and white, with a blond mustache and wearing civilian clothes. He said the man spoke Arabic and once told [REDACTED] "I'm British". He described the other man as short, thin, and white, with no facial hair and green eyes. [REDACTED] said on the second night, the two men came and took him to a room with a table. The two men held him down on the table, while the Arabic speaking man poured water in his face and on his body. He said that both men took turns shocking him several times on his abdomen area. He described the shocking instrument as about 1ft long and black. [REDACTED] said it looked like a flashlight. This is all that happened that night. On the third day, as he was in line to transfer, the Arabic speaking man approached him and struck him on the neck, causing him to fall down. [REDACTED] said that the men never really asked questions other than whether or not he was from Fallujah. When he arrived at the second location in Ramadi, he informed the interrogator about the abuse.

PAGE 1 OF 2 PAGE

DETAILS

BASIS FOR INVESTIGATION: On 28 Jun 04, this office received a Memorandum of Transmittal (MOT) 0076-04-CID789, from the 75h Military Police Detachment (MP DET), Baghdad Central Confinement Facility (BCCF), Abu Gharib, IZ, that Mr [REDACTED] ISN [REDACTED] (NDRS [REDACTED]) reported he was abused while detained at Ramadi Palace; IZ, prior to detention at BCCF.

About 1000, 20 Feb 05, the undersigned conducted a thorough review of this investigation and determined the investigation demonstrates the detainee was not truthful about his allegations. The review indicates the investigation does not support U.S. Army investigative purview, supported by the following documents-

Exhibit 2 contains Sworn Statement of SSG [REDACTED] 2/4 Marine Infantry Regiment, 10 Apr 04, documenting the discovery of medical shears, a flashlight, both belonging to a KIA U.S. Navy Corpsman and weapons in Mr. [REDACTED] house, a Sworn Statement of SGT [REDACTED] 2/4 Marine Infantry Regiment, 10 Apr 04, documenting the discovery of medical shears, a flashlight, both belonging to a KIA U.S. Navy Corpsman and weapons in Mr. [REDACTED] house, and the Coalition Apprehension Form, 10 Apr 04, detailing Mr [REDACTED] was apprehended by Weapons Company, 2/4 Marine Infantry Regiment.

Exhibit 3 contains documentation of an interview with Mr. [REDACTED] conducted 23 Jun 04, in which Mr [REDACTED] claimed the abuse occurred in Ramadi, IZ, during the time frame of 9 Apr 04 though 18 Jun 04.

Exhibit 4, Medical Screening Report, 12 Jun 04, reflecting Mr. [REDACTED] demeanor during his screening as calm. This document does not reflect any allegations of abuse by U.S Army personnel.

Agent's Comment: A review of the documentation reveals Mr [REDACTED] was referred to detainee 270, ABA0649, ISN [REDACTED] and NDRS [REDACTED] at several times in the course of his detention.

On 28 Jan 05, this office received an electronic message from SA [REDACTED] NCIS Little Creek, VA. SA [REDACTED] related the request for assistance received from our office had been completed and that NCIS Headquarters, Washington DC held the pertinent documents/information requested by this office.

SA [REDACTED] was provided as the Point of Contact for this information. The report number was listed as 17OCT04-MEJB-0471-7XMA.

To date all attempts at contacting SA [REDACTED] have met with negative results. It is strongly believed that if the alleged offenses occurred they were perpetrated by members of the US Navy or Marine Corps. All US Army leads have been exhausted; therefore, this investigation is referred to the NCIS for action deemed appropriate.

Based on the above review, it was determined that Mr [REDACTED] was under control of the United States Marine Corps, Weapons Company, 2/4 Marine Infantry, and was not under control of U.S. Army Forces. As

SUMMARY OF INVESTIGATIVE ACTIVITY

5 Jan 04/SAC/TC
I: 15

Since we are preparing to transfer control of the investigations, we need to ensure the following takes place, which will help aid in a smooth transfer of cases:

1. Update all IPs w/outstanding and completed leads.
2. Update all 66s w/outstanding and completed RFAs.
3. Update all AAS. You AAS should provide the agent assuming the case with a snapshot of where you are in your case. (this should be in conjunction with your IP)
4. Prepare draft finals for all ROIs, and place in case file.
5. Prepare your AIRs for all files, to include SDFs. Make sure all AIRS are signed upon transfer of cases, and a copy is placed in the case file.
6. Place note envelopes in every file.
7. Make sure files are set up in proper order - all files should be set up similar, even if we are varying from CIDR 195-1. If we need to discuss further, we can. (see layout on front board prepared by SA [redacted] 66-1,67C-1)
8. Also, if you have identified any POC (names, numbers, emails) pertaining to your case, ensure they are annotated in file (IP sheet has place in bottom left corner).

To case agent for file.

Can you check out the attached RFAs. Based on your msg you only have one. Based on the agents we took the cases over from they sent four. Can you please review them to determine which one you have, and determine if the others are ones that you would be able to assist in. If they are in hostile areas please let me know and then we can look at possibly closing them down.

I know of only one case NCIS Al Asad has open in support of Army Detainee Abuse investigations. I will send you the NCIS Case Control Number and title block information later today. At the present time I only have myself and four agents to work the IMEF Area of Operations. I do not have the capability or can support areas where the agent can be placed in harms way. Thanks

Report RFA sent to NCIS on CAT 1 reports. I will tell Ms [redacted] the same on these as I did with Mr. [redacted] I don't want to hear it. These cases should never have been sent to us. They should have been referred to NCIS by CID Command, if they are all RFIs from them. We can not make them work at our pace. CAT 1 Monitorship means nothing to them.

If you are getting nothing from NCIS here, let me know and we will then submit the RFAs through Command to NCIS in DC to over here.

THanks. Sorry.

Answer from Command. Need to send out the RFAs again to NCIS. See
answer below. The way I look at your information it is that we know the
Marines are subjects. Now if we get the Info reports on actions done, we might as
well complete the case and close. I do not understand this.

No you cannot refer the cases to NCIS. Re-send the RFAs to NCIS and we will
revisit the issue of referring the cases to NCIS when the RFAs are completed and
recd. If they state the marines were involved then we may consider referring
them. But not until that time.

See Attached memorandum. These 5 cases are allegations of Detainee Abuse that have occurred in the 1 MEF AOR. These should be investigated by NCIS, not us. Could you coordinate with Command to see if we can close out our case now and refer the information to NCIS if we can not get NCIS in Fallujah to assume.

Another issue. I have an SA here who wants to put in his warrant packet. However, MEDCOM here has put out that they will no longer complete physicals in theater based on security issues and man power.

Can we get this waived?

Chief,

Could you please review the attached memo and provided you thoughts. The memo is not a letter of referral. It is simply requesting NCIS make contact and accept the investigations. If they do, then I will prepare a letter of referral. I want send the memo to [REDACTED] requesting they assume on these cases. All of the incidents occurred under the Marine control. 82nd departed on/are about 22 Mar 04 (noted in memo). At this point, the cases are dragging. I am not sure or Cmd's take on trying to refer case to NCIS but this point we are not getting much of anything on the cases. As noted in the memo, SA [REDACTED] related he never received several of the RFAs, which were sent before we arrived. Once they were re-sent we still never received any response on either of them except for 0184-04, and we were never contacted by [REDACTED] to say they were leaving. I have already been talking (via email) with SA [REDACTED] noted below, and she is suppose to have the info for 0184-04.

The DATA consist of 7 CID agents. 1 Agent in Charge; 1 Senior Investigative Agent (Asst. Agent in Charge); 5 investigating agents (1 of which is a Warrant Officer). We presently have 72 open investigations. Five are Significant Data Files (SDF), and the remainders are Reports of Investigations (ROI). Of those ROIs, 5 pertain to U.S. Marines and 2 pertain to Naval Seals. We are required to provide a weekly update every Saturday to CID Command. The briefs are then provided on the hill in DC. Each update has to have current investigative activity within the present 7 day reporting period (Sunday - Saturday). We get reports via CID command, Abu Ghraib, the various Detention Facilities in the area, and from various units themselves. The primary efforts are trying to track people/units down. A lot are active duty, and reserves. Once they rotate out of country and return to their various locations, it then becomes a little tasking trying to locate the person/unit. At the present time, the only cases we have not been able to provide any valid investigative activity on are the ones noted above. I was informed by my Battalion Operations section that they are effecting coordination with NCIS, above our level, to discuss what you and I talked about, referring investigations. I am still awaiting a response.

Break -

I just received response via email. They want us to resend the RFAs to you. I have attached the RFAs for your review. I request that you review them and determine what efforts can be made. As noted above, we are required to give a response/update every week.

I have attached the 5 RFAs:

I asked [redacted] to give me some info regarding the Detainee Abuse Task Force (DATF). He provided same below. With our current compliment of SAs and our current MEF mission (crim and CI), it does not appear feasible to assume control of the DATF cases mentioned below. It appears those cases would require full time support at the DATF. Based on the RFA numbers, I don't know the details of the listed cases. We continue to complete Army RFAs in the AOR. This week, for example, SA [redacted] attempted the interview of a soldier who made war crime complaints to the IG, SA [redacted] is attempting to have an Iraqi victim of detainee abuse located and interviewed in Rutbah (to include screening interviews and attempts to ID other victims) and SA [redacted] is attempting to ID and interview a boy who was seen in an Army photo with a gun to his head. We have a couple Crim RFAs we are running for the Army from stateside units.

[redacted] 66-1,670-1 mentioned coordination being conducted between his Bn Ops and NCIS. I assume the coordination refers to the examination of
