INVESTIGATIVE SUMMARY:

On 8 Jul 04, this investigation was initiated based upon receipt of Request for Investigation (RFI) (0324-04-CID001) from the U.S. Army Criminal Investigation Command, Fort Belvoir, VA, which related [REDACTED] may have been abused by unknown person(s) at an unknown location, in IZ.

(b)(7)(C)-4
(b)(6)-4

Previous investigation established there was insufficient evidence to prove or disprove [REDACTED] S [REDACTED] allegation of Assault and Cruelty and Maltreatment. [REDACTED] alleged he was placed in plastic [REDACTED] handcuffs, punched, beaten with rifles until unconscious, dragged on the ground placed in front of a tank and was threatened to be run over if he did not admit to attacking Coalition Forces. Interviews of the members of the capturing unit denied witnessing any abuse to detainees. COL [REDACTED] (b)(7)(C)-1, (b)(6)-4 [REDACTED] 160th Military Police (MP) Battalion (BN), Camp Bucca, IZ stated he did not recall anything significant about [REDACTED] S initial processing examination and noted [REDACTED] had no (b)(7)(C)-4, (b)(6)-4 documented injuries. SA [REDACTED] (b)(7)(C)-1, (b)(6)-4, [REDACTED] 11th MP BN (CID) 6th MP Group, Fort Hood, TX was interviewed and related he interviewed [REDACTED] on several occasions but did not see any injuries, other than a cut lip. He also related [REDACTED] never made any claims of abuse during his interviews. This investigation failed to produce any identifiable subjects, nor could it determine the date and time of the alleged abuse, and did not locate medical documentation of the alleged abuse to substantiate [REDACTED] S claim. (b)(7)(C)-4, (b)(6)-4

(b)(7)(C)-4
(b)(6)-4
(b)(7)(C)-1
(b)(6)-1
(b)(7)(C)-4
(b)(6)-4

However, further investigation established the offenses did not occur as alleged. Additional interviews of eye witnesses and participants in the raid were conducted, and each denied [REDACTED] was ever struck (b)(7)(C)-4, (b)(6)-4 or abused in any way. Further, CPT [REDACTED] (b)(7)(C)-4, (b)(6)-4, Headquarters & Headquarters Company (HHC), 1-22 Infantry BN, Fort Hood, TX (FHTX), provided a photograph of [REDACTED] taken (b)(7)(C)-4 after his capture, which did not reveal any signs of abuse. (b)(6)-4

Further, reviews of [REDACTED] medical records and interviews of additional witnesses have not (b)(7)(C)-4, (b)(6)-4 revealed any signs of abuse or documentation to support his allegation.

Additionally, upon reinterview, [REDACTED] admitted he was not choked while at the prison in Tikrit, IZ, (b)(7)(C)-4 which was contained in his original allegation. (b)(6)-4

On 11 Aug 05, CPT [REDACTED] (b)(7)(C)-2, (b)(6)-2 Office of the Staff Judge Advocate (SJA), Multi-National Corps - Iraq (MNC-I) (XVIII Airborne Corps), Camp Victory, IZ APO AE 09342, was briefed on the merits of this investigation, and opined there was no probable cause to support [REDACTED] allegation of Assault or Cruelty and Maltreatment; therefore, the offenses were unfounded.

The only incident I can remember where I went on a raid soon after and near an ambush site was sometime in Sep 03. The location was somewhere on the east side of the Tigris river from Tikrit, and was after a Cavalry Squad was ambushed earlier. Three squads from my unit were dispatched to assist in raids to locate suspects. My squad went on a raid with LTC (b)(7)(C)-4, (b)(6)-4 and we captured a suspect from the Cavalry incident. There was a Army CID Special Agent (CW3, NFI) who was present when we captured the guy (unknown at this time) who we suspected. This guy was transported to my Battalion HQ in Tikrit, where I filled out the paperwork to turn the detainee into the Detainee Camp. The CID Agent requested that the detainee be transported to the Division Holding Facility. At no time during the transport did anyone under my control abuse the detainee or strike him with a rifle. The detainee was flexi cuffed behind the back and he was blindfolded for security reasons. My squad was traveling in HMMWV and was escorting the Battalion Commander and the CID Agent in two additional HMMVV's.

SWORN STATEMENT

File Number: 0729-04-CID034
Location: Building 2200, Fort Hood, TX 76544
Date: 25 Aug 04
Statement of: [REDACTED]
SSN: [REDACTED]
Org/Address: 11th MP BN (CID), Fort Hood, TX 76544

Time: 1321
RANK: CW3/W3

I, [REDACTED] WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

I was the Special Agent in Charge of the 43d MP Det (CID) in Tikrit, Iraq supporting the 4th Infantry Division during Operation Iraqi Freedom. I have been informed that a detainee identified as [REDACTED] Detainee number [REDACTED] has filed a complaint that someone in the coalition forces abused him during his detention in connection with the deaths of three soldiers on or about 18 Sep 03. I specifically remember [REDACTED] as being a suspect in this particular ambush and recall seeing as well as talking with him the day he was detained in relation to the ambush. However, I am not aware, nor was I, of any abuse he suffered at the hands of his captors. My recollection of this investigation, although I can't confirm the date at this moment, was that the 720th MP BN was notified by G Trp, 10th Cav superiors sometime in the early morning hours (2400-0600) the night the ambush took place. My detachment was not notified until around 0600-0700 that morning following the ambush. The rest of my detachment had just departed or were preparing to depart for Kirkuk on follow up on previously reported investigations. The only agents left behind was my Detachment Sergeant and I. The first word we got was that three soldiers were dead and their bodies were at the medical aid station on Camp Ironhorse where my detachment was located. SSG [REDACTED] (my Det Sgt) and I proceeded to the medical aid station, processed the bodies and as we were returning to our living area, we were stopped by a patrol from the 720th MP BN and advised other members of the Battalion were still at the scene of the ambush. They had 70-80 detainees in custody there, all being held pending CID arrival at the scene and the patrol which stopped us was prepared to escort us there. When we arrived at the scene, LTC [REDACTED] made contact with us and several of his soldiers escorted us around the scene which consisted of about a half mile square area or more. Our arrival at the scene was approximately 1000 hours. During the processing of the scene, LTC [REDACTED] related his troops had detained a large number of people as they were in the area after the attack. LTC [REDACTED] related one in particular [REDACTED] had provided a wealth of information regarding the attack, including names of those involved and a description of a vehicle used as well as specifics about who had what sort of weapon for the attack. Sometime around 1500 or so, we were completed with processing the scene and LTC [REDACTED] pointed out [REDACTED] from the group of detainees in the area. He related [REDACTED] had identified two other locations which he was willing to point out as the homes of three additional suspects who were not in custody and asked if [REDACTED] and I wished to accompany them to those locations to complete the raids on the homes in hopes of capturing the remaining suspects who were at large [REDACTED] and I agreed. We raided two [REDACTED]

[REDACTED] residences that were probably 2-3 miles away on the northeastern side of Tikrit in the countryside. The first residence gained us nothing. We captured one young Iraqi male who was trying to run from the residence as the unit approached. The interpreter for LTC [REDACTED] questioned him and another male briefly. They admitted they were relatives of the men we sought, but they wouldn't or couldn't provide any further information on the whereabouts of these men. The second residence we raided yielded another suspect whom had been identified by [REDACTED]. We recovered an AK-47 out of the residence as well as its owner, but nothing further was gained at that residence. The detainees were transported by 720th MP personnel to the detention facility at Camp Ironhorse and secured. At no time did I witness any sort of abuse of any of the detainees by any of the soldiers around us during that operation. Further, the brief time I spent with [REDACTED] on the roadside upon our arrival at the scene, I did not observe any sort of injury that I would think would have been visible had he been struck in the head or face with a weapon as he has alleged. There was no bump on his head, he didn't complain of any pain, nor was he bleeding anywhere on his body that I could see. I certainly would have taken notice if I had observed something of that nature and would have dealt with the situation there and then. Nor would I have stood by and allowed any sort of abuse of that nature to take place in my presence. I have no simply for detainees who are injured during the course of their capture if they are resisting or attempting to flee, but once they are in custody and under control, I would not have allowed any sort of abuse to take place in my presence. Furthermore, I had occasion to interview [REDACTED] once at the detention facility and [REDACTED] interviewed him on several other occasions at the same facility during the course of several weeks after the ambush. Not once did he make any sort of allegation of this nature to us during those interviews. I think I can speak for [REDACTED] as well, he has the same basic beliefs as I and I don't believe he would have stood for any sort of abuse during his interviews or at the scene any more than I would. I'll have to review the file and obtained the case number as well as specific dates as I can't recall those off the top of my head. If research of the case documentation would assist in this matter, I'll be more than happy to research the file for you.

Q: Do you wish to add anything to this statement?

A: No // END OF STATEMENT //

That except for the leader, it was everyone's first time committing such a crime against coalition forces. [REDACTED] proceeded to take us to the house of the other suspects. We arrived at grid coordinates LD 82777 25886 at approximately 1100, 18 Sep 03. While conducting the raid on 5 homes in close proximity to one another, we located [REDACTED] in building number 4. We then detained him, and asked if he was involved in the ambush the previous night. He related he was. We then had [REDACTED] positively identify him, who stated he was indeed one of the assailants. [REDACTED] stated his brother was not there because he was at the Tikrit Police Station attempting to get a job, so he could work for his uncle. He would not give his uncle's name. I then proceeded back to the ambush site, where more persons had been detained. I identified each person present that had not been screened, as well as having [REDACTED] look at each detainee, in an attempt to identify more suspects. We met with negative results on further identification.

DETAILS:

About 1025, 21 April 05, this office received a Request For Assistance (RFA 0205-04-CID259-80243) from the 48th MP Det (CID), Camp Victory, Iraq, to interview [REDACTED] Internment Serial Number [REDACTED] concerning his alleged abuse allegations.

About 1030, 29 April 05, the undersigned interviewed Mr. [REDACTED] with the assistance of Mr. [REDACTED] Interpreter, Titan Corp. Mr. [REDACTED] said he was in the Albuajil area of TIKRIT at approximately 2100 when there was an attack on Coalition Forces. U.S. forces found him in the street and said he was involved in the attack. He was arrested. They said he was a terrorist and threatened to put him under a tank and kill him if he did not confess. A group of soldiers surrounded Mr. [REDACTED] and began to hit him and strike him with the butt of their rifles. He said he started to lose consciousness and the soldiers threw water on him. They put him under a tank, near the tracks, and said he had to confess or they would kill him. Mr. [REDACTED] said he told them he was a terrorist and part of the attack to avoid being killed. The soldiers blindfolded and handcuffed him before taking him back to the scene of the attack. Once there Mr. [REDACTED] said that soldiers found a part of a weapon that had been left by the insurgents and made him hold it. They then took photographs of him with the piece. They told Mr. [REDACTED] to give them the names of the people working with him. He told them again that he was not involved and did not know who was. The soldiers began to hit him again. He said he gave them some names so that they would stop hitting him. The soldiers arrested the three people whose names I provided. Mr. [REDACTED] said he does not think they are involved, but it was the names he could think of at the time. According to Mr. [REDACTED] they are still in the Bucca detention facility because of his false confession. He identified the three as [REDACTED] and [REDACTED]. According to Mr. [REDACTED] the three were in the area and may have witnessed some of the abuse. He said he was forced to sign a confession and to say he was not beaten or tortured. Mr. [REDACTED] provided a written statement. See [REDACTED] statement dated 29 April, 05.

About 0943, 10 May 05, SA [REDACTED] 11th MP BN (CID), (b)(7)(C)-1, (b)(6)-1 interviewed Mr. [REDACTED] who maintained he was assaulted by US (b)(7)(C)-1, (b)(6)-1 Coalition Forces. (See Rights Waiver Certificate/Polygraph Report)

Translation of Statement Provided by Detainee [REDACTED]

[REDACTED] 29 April 05/1550

b1 (97) (7)
b1 (97) (2) (9)

I am the detainee [REDACTED]. On September 18 2003, the day I was detained was Thursday September 18th at 9PM. I was detained by coalition forces while I was heading towards my sister's house. Moments before at that time there was an attack on a convoy passing the village of 'Aljuale' And I was about one kilometer away from that incident. American forces were there and they came and detained me while I was on my way to my sister's home. They detained me in the street. Approximately ten American soldiers attacked me and started beating me. I passed out. They threw water on me and after that put me under a tank and threatened to kill me. I was afraid for my life after that and that I may be killed. I kept saying I was not who they said I was. I did not do this attack against them. I was afraid they were going to kill me. After that they handcuffed me and transported me to the place of the attack. They brought a weapon and put it in front of me so that they can say that this is the weapon you fought the Americans with. About that, I never served in the military. They say I have a weapon I don't know how to use. After that they detained many people when they told me that I did not fight by myself, there was somebody with me. I told them there was nobody else with me. But I was tortured in a brutal way. The human mind cannot realize how bad the beating was. I passed out and they threw water on me. I gave them names. I gave them names I don't know. They brought them and they are the names on the confession even though they don't know me. And after that they forced me to confess in writing and they told me to write this and that as my statement. I told them I had nothing to confess and they tortured me and forced me to write the confession. I told them that they were with me but that was under torture that day that was organized. I say that they do not know me, but because of excessive torture I said that they were with me. (Signature)

OFFENSE (S): False Swearing regarding Detainee Abuse

PURPOSE OF EXAMINATION: Criminal Investigation

INVESTIGATIVE/OPERATIONAL SUMMARY: On 9 Jul 04, this investigation was initiated based on a Request for Investigation (0324-04-CID001) from the U.S. Army Criminal Investigation Command, Fort Belvoir, VA, of possible abuse involving Mr. [REDACTED]. On 29 Jul 04, Mr. [REDACTED] was interviewed and provided a sworn statement in which he related he was captured by Coalition Forces. Mr. [REDACTED] stated he denied the allegations of being involved in an attack on Coalition Forces and only admitted he was involved when he was struck with the soldier's rifle and fists. Mr. [REDACTED] related during the altercation he passed out and awoke underneath the track of a tank. The soldiers threatened that if he did not confess to attacking U.S. Forces, they would kill him. He then confessed to the attack due to fear of being killed. Mr. [REDACTED] was then transported to the prison in Tikrit where he said he was choked and his head was held under water

after he recanted his previous confession. Mr. [REDACTED] stated he had received a bloody nose from the incident, but had no scars on his body or any other injuries. On 26 Aug 04, SSG [REDACTED] 401st Military Police Company, 720th Military Police Battalion, 89th Military Police Brigade, III Corps, Fort Hood, TX 76544, was advised of his legal rights, which he waived and provided a sworn statement in which he denied any abuse concerning Mr. [REDACTED]. SSG [REDACTED] recalled the incident where Mr. [REDACTED] was arrested, but advised that at no time was Mr. [REDACTED] abused or struck with a rifle. On 25 Aug 04, SA [REDACTED] 11th MP Battalion (CID), was interviewed and provided a sworn statement in which he related he arrived at the scene of the ambush after Mr. [REDACTED] was arrested. SA [REDACTED] related he did not witness any abuse, nor did he identify any injuries to Mr. [REDACTED] that would have been construed as resulting from a fist or rifle butt. On 14 Sep 04, LTC [REDACTED] Office of the Provost Marshal, HQDA, was advised of his rights, which he waived and provided a sworn statement. LTC [REDACTED] related his unit assumed custody of Mr. [REDACTED] who had been detained the day before. LTC [REDACTED] stated nothing stood out as far as his condition, and he thought he remembered someone telling him that Mr. [REDACTED] was crying during his confession because he was sorry for what he had done. About 1030, 29 April 05, SA [REDACTED] 48th Military Police Detachment, Abu Ghraib, Iraq, re-interviewed Mr. [REDACTED] with the assistance of Mr. [REDACTED] Interpreter, Titan Corp. Mr. [REDACTED] said he was in the Albuajil area of TIKRIT, at approximately 2100, 18 Sep 03, when there was an attack on Coalition Forces. U.S. Forces found him in the street, said he was involved in the attack and arrested him. They said he was a terrorist and threatened to put him under a tank and kill him if he did not confess. A group of soldiers surrounded Mr. [REDACTED] and began to hit him and strike him with the butt of their rifles. He said he started to lose consciousness and the soldiers threw water on him. They put him under a tank, near the tracks, and said he had to confess or they would kill him. Mr. [REDACTED] said he told them he was a terrorist and part of the attack to avoid being killed. The soldiers blindfolded and handcuffed him before taking him back to the scene of the attack. Once there, Mr. [REDACTED] said that soldiers found a part of a weapon that had been left by the insurgents and made him hold it. They then took photographs of him with the piece. They told Mr. [REDACTED] to give them the names of the people working with him. He told them again that he was not involved and did not know who was. The soldiers began to hit him again. He said he gave them some names so that they would stop hitting him. The soldiers arrested the three people whose names he provided. Mr. [REDACTED] said he did not think they were involved, but they were the only names he could think of at the time. According to Mr. [REDACTED] they were still in the Bucca Theater Internment Facility because of his false confession. He said he was forced to sign a confession and to say he was not beaten or tortured. Mr. [REDACTED] has consented to undergo a polygraph examination. It is believed Mr. [REDACTED] may be lying, based on additional interviews, in an attempt to secure an early release from detention.

INSTRUMENTATION: This examination was conducted using an Axciton computerized polygraph instrument, SN: 4387, last calibrated on the date of the examination.

OBSERVATIONS: Unusual physiological/psychological reactions were not observed during this examination.

Attached as Exhibit [REDACTED] is a Polygraph Examination Report. This exhibit will be destroyed not later than three months after the date of the Report of Investigation (para 2.6, AR 195-6). EXAMINER'S CONCLUSIONS: During the pre-instrument phase, the examinee made no comments or statements contrary to those previously provided.

An analysis of the polygrams collected during Series I, determined that insufficient criteria was present to form a conclusive decision regarding the truthfulness of Mr. [REDACTED].

During the post-instrument phase of Series I, Mr. [REDACTED] admitted he only saw two or three soldiers hit him, not eight or nine as he originally stated. Additional testing was deemed necessary.

An analysis of the polygrams collected during Series II, determined Mr. [REDACTED] was being deceptive when answering the relevant questions.

During the post-instrument phase of Series II, Mr. [REDACTED] admitted that he was not choked while at the prison in Tikrit, as previously alleged. Mr. [REDACTED] further stated that he was also electrocuted at the prison in Tikrit, information he did not relay in his previous statement. When asked why he did not previously disclose that information, he stated that he forgot. Mr. [REDACTED] maintained that he was abused when he was arrested and also at the prison in Tikrit. Upon additional questioning, Mr. [REDACTED] stated he had been in prison for over a year, wanted to know when he would be released and stated he had nothing more to say and terminated the interview.

DETAILS

BASIS FOR INVESTIGATION: This office received a Request for Assistance from the 48th Military Police (MP) Detachment (CID) (FWD), 11th MP Battalion, Camp Victory, Baghdad, Iraq, APO AE 09342, to locate, fully identify, and interview LTC [REDACTED] and coordinate with the 1/22nd Infantry, 4th Infantry Division (4ID), Fort Hood, TX 76544 (FHTX), to ascertain if that unit participated in the apprehension of Mr. [REDACTED] National Detainee Reporting System (NDRS) # [REDACTED]

(b)(7)(C)
(b)(4)

About 1430, 4 May 05, SA [REDACTED] and SA [REDACTED], this office, interviewed LTC [REDACTED] who stated he remembered the incident on 19 Sep 03 when three members of G Troop, 10th Cavalry, were Killed in Action (KIA). LTC [REDACTED] stated the 10th CAV requested assistance while they evacuated their injured personnel at which time he sent C Company, 1/22 INF, across the Tigris River to assist. LTC [REDACTED] stated the 10th CAV did not capture anyone but maintained visual contact with the insurgents until C Company arrived.

ACTIVITY

(b)(7)(C)-4, (b)(6)-4

About 1500, 4 May 05, SA [REDACTED] and SA [REDACTED] interviewed CPT [REDACTED], HHC, 1/22 INF, FHTX (former Commander of C Company, 1/22 INF) who stated he sent 2nd platoon and 3rd platoon to counter attack the insurgents. CPT [REDACTED] stated there were apache helicopters circling the area and directing the platoon as to where the enemy movement was. CPT [REDACTED] stated they pushed through a field with very high grass with infantrymen in the front and tracked vehicles in the back. CPT [REDACTED] stated Mr. [REDACTED] could have possibly almost been ran over by a tracked vehicle due to him crawling through the mud in the field, but no one held him underneath the tracked vehicle. CPT [REDACTED] was shown a photograph of Mr. [REDACTED] at which time CP [REDACTED] stated he remembered the man in the field to be wearing a white dishdashka. CPT [REDACTED] provided further photographs depicting Mr. [REDACTED] right after his detention in civilian clothes. Mr. [REDACTED] appeared to be in good health. After the capture of Mr. [REDACTED] CPT [REDACTED] stated they waited for the MP's to arrive and take control of the detainees.

(b)(7)(C)-4, (b)(6)-4

About 1457, 5 May 05, SA [REDACTED] advised CPT [REDACTED], HHC, 1/22 INF, FHTX, of his rights which he waived and provided a sworn statement wherein he denied abusing Mr. [REDACTED] (See Sworn Statement of CPT [REDACTED] for details)

(b)(7)(C)
(b)(4)

About 1413, 10 May 05, SA [REDACTED] advised CPT [REDACTED], HHC, 1/66 Armor, 4ID, FHTX, of his rights, which he waived, and provided a sworn statement wherein he denied abusing any detainees. (See Sworn Statement of CP [REDACTED] for details)

Agent's Comment: After the interview of CPT [REDACTED] it seemed apparent that 3rd platoon captured Mr. [REDACTED] because both CPT [REDACTED] and CPT [REDACTED] recalled the person they captured as wearing a white dishdashka and Mr. [REDACTED] was wearing civilian clothes.///LAST ENTRY///

Statement of: [REDACTED]

I, [REDACTED], WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH: I was deployed to Iraq in command of C Company 1-22 IN from June 2003-March 2004. My company's sector was the city of Tikrit. My northern boundary was the border with the town Kadaseeya. My southern boundary was the border with the town of Al Owja. My western boundary was the Highway 1 bypass. My eastern boundary was the Tigris River. On 4 May 2005, CID showed me a picture of an Iraqi male that I immediately recognized from an operation in September of 2003. I recognized him because my company captured him on or about 17 or 18 September 2003. I had been executing patrols in Tikrit when I received a call from my battalion commander that the Brigade Recon Troop (BRT) had been ambushed across the river, southeast of my position. I was directed to assemble my entire company and reinforce the BRT. At this time I only had two platoons available for operations: 2nd Platoon and 3rd Platoon. I assembled my forces and moved east across the river. I linked up with the commander of the BRT, CPT [REDACTED]. CPT [REDACTED] briefed me on the location of the ambush and the possible locations of the enemy forces that were attempting to exfiltrate from the ambush sight. His remaining vehicles had established a large outer cordon that contained two small villages inside it. The northern-most village I labeled Cobra 1, the southern-most I labeled Cobra 2. CPT [REDACTED] also briefed me that he believed the insurgents to be in the marshy farmlands between the two villages. He said they were armed with RPGs, PKCs, RPKs, and AK-47s. He estimated ten insurgents. At this time two Apaches had come up on the net and were orbiting to the south. I tasked 3rd Platoon to seize Obj Cobra 2 in order to capture enemy insurgents. I tasked 2nd platoon as the main effort and ordered them to clear the farmlands between the two objectives in order to capture the insurgents, and then seize Cobra 1. The Apaches were tasked to support 2nd platoon. As the operations proceeded, second platoon had reached their limit of advance and began their turn towards Cobra 1. 3rd had seized Cobra 2 and was processing the detainees. The Apaches had identified insurgents through the thermals and we were engaging with small arms and fire from the Apache 30mm. As second platoon continued to [REDACTED]

[REDACTED] advance towards Cobra 1, they began to pull men from the marshland. They were covered in mud as if they had been crawling. Once 2nd platoon reached Cobra 1 the BFVs overwatched the platoon as it cleared the village. There was no further firing. Once the village was clear 1SG [REDACTED] established the EPW sight inside the village. The EPWs were flex-cuffed and blind-folded, then sat in a group on their butts facing outboard. They were guarded by members of my command group. All of the members of the village were treated as detainees and kept separate from the EPWs pulled from the farmland. The BFVs were positioned in a defensive perimeter around the area encompassing both objectives to prevent any non coalition forces from entering the defensive position. The platoons were tied in by fire. Once both objectives were completely secure and the hasty defense was established, the 720th MPs arrived and took possession of all the detainees and EPWs. The detainees and EPWs were consolidated in an open field near the ambush sight close to Cobra 2. I did not authorize any abuse to any detainee or EPW, nor did I witness any abuse.

[REDACTED], WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH: Sep 03, C Co, 1-22 IN BN responded to a request for support after the BDE BRT was ambushed on the east side of the Tigris River in Tikrit, Iraq. The BDE BRT had taken casualties and needed help in clearing the nearby area. We arrived and 3rd PLT was given the western objective, while my PLT (2nd PLT) was given the northern objective. Both objectives were same mud huts. When we arrived it was around 0100 and very hard to see anything. I pushed my PLT, both infantrymen on the ground and Bradley Fighting Vehicles (BFV), on line and using the support of Apache Helicopters to locate any heat signatures in the wood line and 6 foot high grass fields. After we cleared the majority of the field using night vision and bright flashlights we pulled back to repair a broken BFV. The Apache spotted another heat signature in the field no more than 300 meters from my position. It was still very dark outside and I had a difficult time seeing anything, so the Apache pilot "walked" by BFV slowly to the location of the heat signature. When I got to the location the pilot was watching, I pulled out a spotlight and started looking around. As I scanned the area I looked directly over the side of the BFV and noticed a man in civilian clothes in the fetal position no more than a few inches from the track of the BFV. I oriented my M4 on the man and told him to get up in both English and Arabic. The man did not move and appeared to be dead. I dropped the ramp of my BFV and let the dismount infantry squad on the ground to begin EPW procedures. I told them to be careful for boobytraps. As they began to roll him over he made a noise and he began to move. They searched him, blindfolded him, and zippered tied his hands behind his back. The EPW was then loaded in the back of the BFV and moved to the EPW consolidation point located 500 meters away. The EPW was turned over to 1SG [REDACTED] and we moved to set up an outer cordon until the MPs arrived to question all the EPWs.

I, [REDACTED] WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH: I got to Iraq on 3 Apr 03 with C CO, 1/22 INF BN, 4ID. Between late October 2003 or early December 2003 my company got called out on QRF. We didn't know what was going on, we only know we were moving across the bridge. When we got across the bridge, our C.O., CPT [REDACTED] linked up with the company's commander who got ambushed. At this time I was our platoon leader's (1LT [REDACTED]) gunner on his Bradley Fighting Vehicle (BFV) and he dismounted and got briefed by CPT [REDACTED]. 1LT [REDACTED] came back to the BFV and told me that a CAV troop had been ambushed by an RPG team and some militants that were still in the area. At this time, we dropped our dismounts and 1LT [REDACTED] dismounted and they all went into a village that was in the area. They started clearing certain houses that was already targeted by the other commander. It took them about two hours to clear the houses. 1LT [REDACTED] called up on the radio and said that CPT [REDACTED] wanted the BFV's to move through and clear the surrounding area. We started to move and had an Apache over the top of us telling us were to go. Upon moving through the fields, we found one Iraqi militant lying in the thick brush. By this time, we had to turn on our lights, because there was too many drop offs in the field. The dismounts caught up to us and blindfolded and zip cuffed the militant. At this time, when they established he had no weapons they put him the back of the SPC [REDACTED]'s track. When we saw they had it under control, he moved out and continued to search the area. 1LT [REDACTED] then got back in the BFV, the Apache called up and said they some heat signatures in a near by field. Our BFV went to the field with the 23 vehicle. Upon coming to the field, the 23 vehicle broke track. The 22 vehicle stayed with the 23 vehicle and kept over watch on my track. We went through the field one time and didn't find anything, so we decided to go through again, because the Apaches said there were still heat signatures in the field. We went through the field one more time and the second time around, I saw something out of the corner of my eye and I look down and I saw an Iraqi laying on his side. I thought he was dead, because he didn't move and the track wasn't more than a half an inch from his head. We dropped the dismounts that were in the back of the BFV and they went and searched him. They found out that he was alive and did the normal detainee procedures and blindfolded and zip cuffed him and put him in the back of the BFV. At this time, the Apaches over us said the area was clear and moved all of the detainees to the Casualty Collection Point, where they were transported to the Battalion holding area.

- Q: At any time did you witness anyone strike the detainee with the butt of their weapon?
A: No.
- Q: At any time did you witness anyone use a BFV as an interrogation tool?
A: No.
- Q: Did anyone attempt to interrogate that detainee?
A: No, the dismounts only asked him if he had any weapons.
- Q: Did your platoon have an interpreter present?
A: The company had one, but he wasn't with us.
- Q: Did anyone from the troop that was ambushed assist in detaining any militants?
A: I'm not sure, just in our area was our platoon, and they didn't help with that.
- Q: Do you remember what that particular detainee was wearing?
A: A white, man dress.
- Q: Is there anything you would like to add to this statement?
A: No.//END OF STATEMENT// [REDACTED]

[REDACTED], WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH: I arrived to Iraq in around March or April, 2003. At an unknown time while I was deployed sometime during the night we received an unknown Cavalry troop came under fire from some insurgents and my platoon responded. I was in the back of a Bradley Fighting Vehicle (BFV) as a dismount squad leader, so I didn't have a headset and didn't get to listen to much of what was going on. I was given an order my squad was to secure a building with three insurgents in it and capture the insurgents for interrogation. Sometime during the night, our BFV dropped the ramp and my squad deployed. As I exited the BFV, I saw a man lying in the ditch in the field. He was acting like he was dead, so I splashed some water on his face like he was gasping for air. He went back down like he passed out. I splashed water on him again and he woke up. So I picked him up, searched him, zip tied his hands behind his back and put him in the back of the BFV. I think we transported him to the collection point and released him.

Q: Did you witness anyone utilize a BFV as an interrogation tool on that night?

A: No.

Q: Did you witness anyone use the butt of a weapon to strike anyone in the head that night?

A: No. Nor did I hear of anyone doing that. In fact, the entire time I was in Iraq, no one used the butt stock, because it was not part of the rules of engagement that we had to carry on us the whole time.

Q: Did you witness anyone attempt to interrogate any detainees?

A: No.

Q: Did your platoon have an interpreter present?

A: My company had one.

Q: Was he with your squad in the field that night?

A: I don't recall.

Q: Did anyone in the Cavalry troop assist in the detaining of prisoners?

A: I don't know.

Q: What was the prisoner you detained wearing?

A: White man dress.

Q: Did you take any other prisoners that night?

A: We had one other detainee in our track, someone else brought him to us to consolidate.

Q: Is there anything you would like to add to this statement?

A: No.///END OF STATEMENT/[REDACTED]

B: 0205-05-CID259-80243 (SA [REDACTED]) (b)(7)-1

C: On 9 Jul 04, this investigation was initiated based on a Request for Investigation (0324-04-CID001) from the U.S. Army Criminal Investigation Command, Fort Belvoir, VA, of possible abuse involving Mr. [REDACTED]. On 29 Jul 04, Mr. [REDACTED] was interviewed and provided a sworn statement in which he related he was captured by Coalition Forces. Mr. [REDACTED] stated he denied the allegations of being involved in an attack on Coalition Forces and only admitted he was involved when he was struck with the soldier's rifle and fists. Mr. [REDACTED] related during the altercation he passed out and awoke underneath the track of a tank. The soldiers threatened that if he did not confess to attacking U.S. Forces they would kill him. He then confessed to the attack due to fear of being killed. MR. [REDACTED] was then transported to the prison in Tikrit where he said he was choked and his head was held under water after he recanted his previous confession. Mr. [REDACTED] stated he had received a bloody nose from the incident and had no scars on his body or any other injuries. On 26 Aug 04, SSG [REDACTED] was advised of his legal rights, which he waived and provided a sworn statement in which he denied any abuse concerning Mr. [REDACTED]. SSG [REDACTED] recalled the incident where Mr. [REDACTED] was arrested, but advised that at no time was Mr. [REDACTED] abused or struck with a rifle. On 25 Aug 04, SA [REDACTED] 11th MP Battalion (CID), was interviewed and provided a sworn statement in which he related he arrived at the scene of the ambush after Mr. [REDACTED] was arrested. SA [REDACTED] related he did not witness any abuse, nor did he identify any injuries to Mr. [REDACTED] that would have been construed as resulting from a fist or rifle butt. On 14 Sep 04, LT [REDACTED] Office of the Provost Marshal, HQDA, was advised of his rights, which he waived and provided a sworn statement. LTC [REDACTED] related his unit assumed custody of Mr. [REDACTED] who had been detained the day before. LTC [REDACTED] stated nothing stood out as far as his condition, and he thought he remembered someone telling him that Mr. [REDACTED] was crying during his confession because he was sorry for what he had done. About 1030, 29 April 05, SA [REDACTED] re- (b)(7)(C)-1, (b)(6)-1 interviewed Mr. [REDACTED] with the assistance of Mr. [REDACTED], Interpreter, Titan Corp. Mr. [REDACTED] said he was in the Albuajil area of TIKRIT, at approximately 2100, 18 Sep 03, when there was an attack on Coalition Forces. U.S. Forces found him in the street, said he was involved in the attack and arrested him. They said he was a terrorist and threatened to put him under a tank and kill him if he did not confess. A group of soldiers surrounded Mr. [REDACTED] and began to hit him and strike him with the butt of their rifles. He said he started to lose consciousness and the soldiers threw water on him. They put him under a tank, near the tracks, and said he had to confess or they would kill him. Mr. [REDACTED] said he told them he was a terrorist and part of the attack to avoid being killed. The soldiers blindfolded and handcuffed him before taking him back to the scene of the attack. Once there, Mr. [REDACTED] said that soldiers found a part of a weapon that had been left by the insurgents and made him hold it. They then took photographs of him with the piece. They told Mr. [REDACTED] to give them the names of the people working with him. He told them again

that he was not involved and did not know who was. The soldiers began to hit him again. He said he gave them some names so that they would stop hitting him. The soldiers arrested the three people whose names he provided. Mr [REDACTED] said he did not think they were involved, but they were the only names he could think of at the time. According to Mr [REDACTED] they were still in the Bucca Theater Internment Facility because of his false confession. He said he was forced to sign a confession and to say he was not beaten or tortured. Mr [REDACTED] as consented to undergo a polygraph examination. It is believed Mr [REDACTED] may be lying, based on additional interviews, in an attempt to secure an early release from detention.

Management, Baghdad, Iraq (IZ) who related he had conducted a records query
for Mr [redacted] (NFI) and determined he was not and had never been a
Titan employee. [redacted] (b)(7)(c)-3

24 Sep 04

The interview of M [redacted] (b)(7)(c)-4, (b)(6)-7 was the last "solid" interview left in this investigation.
I have no further leads. Request Final "C" of his interview as we have no way of
locating him and confirming his location.

Victim Interviewed on 29 Jul 04.

-Stated 2200; 18 Sep 03, he was at sisters when in Tikrit, IZ
and about 2km away from fighting.

-He was stopped by US Forces flex cuffed and placed on the ground; beaten
with rifles and punched. Lost consciousness.

-Woke in front of a tank and told he would be run over.

-Interpreter says to confess to attack, which he did.

-US Forces wait until 7 am and take him to the attack site via HMMV and
photographed at the site.

-Taken to Tikrit jail choked and head placed underwater until he confessed.

-Taken to Abu Prison then to Camp Bucca.

-Stated had a bloody nose

The capturing unit was interviewed <RFA to HOOD 0729-04-CID0234 hard copy
pending>

(b)(7)(c)-4
(b)(6)-7

-SSG [redacted] only remembered one incident might be this one. CID Agent
was present along with LTC [redacted] (b)(7)(c)-4, (b)(6)-7

-SA [redacted] was interviewed; he was the CID agent present after [redacted]
was apprehended. (b)(7)(c)-4, (b)(6)-7

Did not see any abuse.

Did not see any injuries (should have observed the bloody nose if there was
one).

Talked to him about the death of coalition forces.

RFA to Ft Belvoir for the INT of LTC [redacted] (b)(7)(c)-4, (b)(6)-7
<0101-04-CID041 hard copy
pending> (b)(7)(c)-4, (b)(6)-7

(b)(7)(c)-4
(b)(6)-7

- LTC [redacted] related he had apprehended Iraqis numerous times but did recall
an apprehension after the killing of three soldiers. LTC [redacted] related units
from the 4th ID originally rounded up the detainee and released him to his unit
after he supposedly confessed. LTC [redacted] then released him to either the 1st
Brigade or 4th ID detainee cage in Tikrit. LTC [redacted] didn't recognize the guy
by his name or photo. He did state when he received the detainee there was an
SA [redacted] on the initial crime scene and should have some knowledge of
this detainee. Looks like the MPS just collected the detainee from the capturing
unit and transported him.

The 4th ID is a large unit I do not have any leads for that unit. Request Final "C".

To SAC [redacted] for review. (b)(7)(c)-1, (b)(6)-1

Rev'd. Noted/complete the following:

1. Your summary reads well, just, briefly restate the victim's allegation after the first sentence in your summary, i.e. "Mr. [redacted] alleged..." (b)(7)(c)-1 (b)(6)-1
2. Ref exhibit 4: split it into two separate exhibits. Remember to redo your originals to section.
3. Ref exhibit 5: place (AKA: [redacted]) in parentheses, and Mr. [redacted] behind statement of since we list him as [redacted]
4. Ref exhibit 9: Since you are calling it a Document Packet, make cover sheet for it, i.e. Document Packet containing..... (Exhibit 9-1 thru 9-16).
5. Rev your status section: 4-17(a) (4) is reference SJA/or prosecutor opining there is sufficient admissible evidence available to prosecute. We do not close based on SJA saying there is insufficient evidence, rather 4-17(a) (6) per determination of the CID Cmdr, Ops, or SAC.
6. See example in CID 195-1 (Chap 7) ref how leads remain will be written into the Status section. I am having everyone follow that, as everyone is doing it differently. Also, note the last sentence in the status section ref 4833 action, which is required.

File back to SA [redacted] for action. (b)(7)(c)-1, (b)(6)-1

**DETAINEE ASSESSMENT TASK FORCE
CASE FINDING STATEMENT**

Date Reviewed: 6 Mar 05

Reviewer: [REDACTED] (b)(7)(C)-1, (b)(6)-1

Case number: 0205-04-CID259-80243

Offense: Assault / Cruelty and Maltreatment

Status: Closed as a Final on 16 Nov 04

FINDINGS OF DATF REVIEW: The investigation was not thorough.

Need to review case

1. The investigation did a good job locating and interviewing the MP personnel. The problem is that, although the CPA Apprehension Form lists the 720th MP BN as the capturing unit, they were not the actual capturing unit. Based on several statements in the case, the MP assumed custody of the detainee from 1st BDE, 4th ID. LTC [REDACTED] (b)(7)(C)-4, (b)(6)-1 stated the capture unit was possibly G CO, 10th CAV or 1-22 INF, both of which would (b)(2), (b)(2) likely have tracked vehicles. No documented effort to identify or interview the actual capturing unit.
2. An AAS entry on 24 Sep 04 inaccurately stated that SA [REDACTED] was present after the detainee was captured and did not see any injuries. An AIR entry at 1050, 27 Aug 04 (see Exhibit 7) reflected that, after reviewing the related ROI (0151-04-CID469), SA [REDACTED] did recall the detainee having a cut lip. This injury was also visible in photographs of the detainee (see Exhibit 10). The CPA Apprehension Form also documented that the detainee had a swollen lip. Further note that when SA [REDACTED] arrived at the scene, the 720th MP BN already had custody of 70-80 detainees. CW3 [REDACTED] was not present when the detainee was initially captured and, according to LTC [REDACTED] one of the detainees had already confessed. LTC [REDACTED] also stated, "I think somebody told me he was crying while (sic) was confessing to the initial capturing unit because he was sorry for what he had done". (b)(2), (b)(2)
(b)(7)(C)-4
(b)(6)-4
3. Based on the victim's allegation an interpreter was identified as a significant witness and we focused on LTC [REDACTED]'s interpreter, [REDACTED]. Although we obtained his address, telephone number and email address there is nothing documented in the file to indicate that we actually attempted to locate and interview him using this information. We determined he was not an employee of Titan; but did not conclusively determine if he was an employee of SOS. On 31 Aug 04, Mr. [REDACTED] stated he "did not believe [REDACTED] was an employee of SOS", but there was no documented follow-up with [REDACTED] to verify this. We also did not ask LTC [REDACTED] which company his interpreter worked for. On the issue of the interpreter mentioned by the victim, it seems unlikely that [REDACTED] was the interpreter in question. The interpreter mentioned by the detainee was most likely working with the capturing unit. (b)(7)(C)-4
(b)(6)-4

**DETAINEE ASSESSMENT TASK FORCE
CASE FINDING STATEMENT**

Maybe another interview
This investigation developed some information that contradicted the victim's allegations and he was also titled for Murder in 0151-04-CID469. There was no documented effort to re-interview the victim regarding his complaint of abuse. If we think he made a false report, then he needs to be confronted. As of 6 Mar 05, the victim was still being detained at Camp Bucca, Iraq.

Noted
5. Admin. A CID Agent wrote the victim's statement and the victim signed it; however, there is nothing to indicate the victim read or understood English. This is generally a bad practice. Did the victim know what he was signing? If the victim understood English, it should have been documented in the statement or the AIR. The victim's statement should have been taken in his native language and translated, as was done in the related ROI when the victim gave an Arabic language statement.

Fix
6. Admin. The DATE/TIME/LOCATION lists "(Unknown Date/Time), Tikrit, Iraq". A DATE/TIME period can be established based on the date the alleged victim was captured (18 Sep 03) and the date he was transferred to Abu Ghraib Prison.

need to review and determine final or final c
Fix
7. Admin. ~~The statutes section was missing in the final ROI. Should list the appropriate statutes as an unfounded offense IAW CIDR 195-1, paragraph 7-14 (h) (3).~~ *DO NOT Change Per Discussion w/ Det Cdr*

8. Admin. The ROI was closed as a Final; however, the STATUS block lists the case as a Final (C) and cites a basis for early termination and remaining leads.

Great insight and personal understanding opinion
9. Admin. Someone added a hand-drawn block in the recommendation section of the 4th ID Detainee disposition Worksheet and wrote the word "Execute". While this is indicative of the stressful environment and logical anger toward this detainee due to his apparent involvement in the deaths of three soldiers, it is inappropriate. Although not directly relevant to this investigation, this is also something to keep in mind when considering the attitude of a capturing unit that is totally focused on capturing insurgents who just murdered three of their comrades. There was clearly potential for abusive behavior on the part of the capturing unit in their effort to elicit confessions from the suspects.

RECOMMENDATION: Reopen this investigation and address the aforementioned issues.

Interviewed LTC [REDACTED]. He related he had apprehended Iraqis numerous times but did recall an apprehension after the killing of three soldiers. LTC [REDACTED] related units from the 4th ID originally rounded up the detainee and released him to his unit after he supposedly confessed. LTC [REDACTED] then released him to either the 1st Brigade or 4th ID detainee cage in Tikrit. LTC [REDACTED] didn't recognize the guy by his name or photo. He did state when he received the detainee there was an SA [REDACTED] on the initial crime scene and should have some knowledge of this detainee. Looks like the MPS just collected the detainee from the capturing unit and transported him. Here are the mug shots of LTC [REDACTED]. I'll scan the rest of the documents and send them after the SAC reviews the Info report.

Special Agent [redacted] informed me he worked with you in locating a interpreter in theater by the name of [redacted]. I was hoping you could help me in my investigation. Your information might not go back this far but I'll give it a shot. I need to identify an interpreter who worked for 1st Battalion 22nd Infantry (I'm assuming its Fort Hood, Texas and no further information (NFI)) or G Troop, 10th Cavalry (NFI). The date of the incident in question was on 18 Sep 03. I need to identify the interpreter assigned to either unit and have a conversation with that individual, so I will need a current employer, address, phone number, and of course full name, date of birth, basically whatever you can provide. Thank you Sir for your help and if you have any questions please feel free to call. I tried calling your office this morning but no one answered so I decided to email. Thanks again.

(b)(7)(C)-1, (b)(6)-1

Here is your update for today.

(b)(7)(C)-4, (b)(6)-4

I know your RFA asked for a sworn statement from LTO [redacted] but he wasn't actually at the incident. Will an AIR entry suffice?

Got a sworn statement of CPT [redacted] today. He was the Commander of the company who captured Mr. [redacted]. He provided the names of 1SG [redacted] D Co, 2/28 INF [redacted] home address [redacted] (That's the only [redacted] got off of DEIDS for SC). 1SG [redacted] is the person who takes control of the detainees after they are captured and moves them into the holding facility until the MP's arrive. I'm going to try and interview CPT [redacted] tomorrow. He was the platoon leader who actually captured Mr. [redacted]. CPT [redacted] denied seeing any detainee abuse or conducting it. He stated the tracked vehicles were used for 360 security and not interrogations. Stated he did not even have an interpreter at the time and can not speak Arabic very well. CPT [redacted] provided pictures of Mr. [redacted]. In the picture you can see CPT [redacted] driver, SPC [redacted] 2/11 INF BN, Anti Tank Company, Fort Irwin, CA 92311, home address [redacted] or # [redacted] SPC [redacted] was guarding the three captured detainees in the photo.

(b)(7)(C)-1, (b)(6)-1

Also, CPT [redacted] stated that G Troop, 10th Cav no longer exists but has been dispersed into other units. CPT [redacted] stated they did not assist in the capturing of detainees on that particular night because they were evacuating their casualties. CPT [redacted] C Company, AGRD IDS OFF (?????), Fort Benning, GA 31905, home address [redacted] # [redacted] [redacted] was the commander of G Troop, 10th Cav. X X

10 May 05, I interviewed CPT [redacted] today. It sounds like he captured someone other than the victim. He said he was in the [redacted] with the Apaches overhead telling them where the heat signals were. He stated his [redacted] broke down and the Apache's told him there was someone hiding right where he was. He got out his spot light and saw a guy in the fetal position practically underneath his track. CPT [redacted] stated he zip tied him, blindfolded him, and assembled him with the other detainees. He thinks his detainee was wearing a white dishdashka but he's not sure. LT [redacted] (NFI) was the 3rd Pl leader which raided the other side of the village and apparently had COL [redacted] and his interpreter with him. Mr [redacted] has ETS'd since then. Will try to get his contact info for you.

Sorry,

Here is the breakdown of what we have done. Interviews of LTC [redacted], CPT [redacted] and 1LT [redacted] were conducted initially. CP [redacted] and 1LT [redacted] related that at no time were any detainees butt stroked and placed under a track. 2nd and 3rd PLT were canvassed for any other soldiers who could have identified anyone who would have witnessed the actual apprehension of the detainees on that night, which yielded sworn statements of SSG [redacted], CPL [redacted] and SPC [redacted] which all yielded the same information. A unknown individual was lying the field, which was discovered by Apache helicopters utilizing heat signatures. The Bradley Fighting Vehicles were "walked" to the signature by the Apache. White light was utilized and a man was lying no further than 12 inches from the BFV. The BFV dropped ramp and the dismounts, lead by SSG [redacted] detained the male, placed him in the BFV and was subsequently transported to the Casualty Collection Point and released.

(b)(6)-1

No other witnesses were identified and all who witnessed this act provided sworn statements. Is there any other activity you would conducted or do you want us to close and send info report?

I recently was assigned the RFA from your office. It looks like we are pending one coordination with the 1SG which I will get accomplished today and one interview of a soldier, who is on leave until 16 Jun 05. The 1SG is identifying any of his soldiers who were part of C 1/22 at the time of the incident. Is there anything that we have missed or are there any additional leads which you need me to track down? Let me know how I can be of assistance. Take care and stay safe, [REDACTED]

Interviewed LTC [REDACTED]. He related he had apprehended Iraqis numerous times but did recall an apprehension after the killing of three soldiers. LTC [REDACTED] related units from the 4th ID originally rounded up the detainee and released him to his unit after he supposedly confessed. LTC [REDACTED] then released him to either the 1st Brigade or 4th ID detainee cage in Tikrit. LTC [REDACTED] didn't recognize the guy by his name or photo. He did state when he received the detainee there was an SA [REDACTED] on the initial crime scene and should have some knowledge of this detainee. Looks like the MPS just collected the detainee from the capturing unit and transported him. Here are the mug shots of LTC [REDACTED]. I'll scan the rest of the documents and send them after the SAC reviews the Info report.

Interviewed LTC [redacted] today. He remembers the incident but was not present. He sent his C Company Commander, CP [redacted] across the river to assist in the counterattack against the insurgents. Spoke with CPT [redacted] who stated he remembered the guy in the picture and provided further pictures. He stated 1LT [redacted] 1/66 Armor (former second platoon leader, 1/22 INF) was the actual capturing person. Will get with him asap. CPT [redacted] stated after the ambush on the U.S. soldiers, he sent second platoon to counter attack. CPT [redacted] stated they sent ground troops first with the tracked vehicles behind them. He stated he might have almost ran over Mr [redacted] because it was very high grass and him and approximately two others were crawling in the mud. He provided a picture of right after the capture. Mr [redacted] appears to be in good condition but can not see his face. They're still looking for their CIR reports for more info on [redacted]. Will update you with any new info as I get it.
