About 1145/5 Aug 05, I received telephone notification from [Redacted] b2
Guantanamo Bay, Cuba of an incident that recently occurred at camp [Redacted] b2
me that while he accompanied [Redacted] in an interview with ISN [Redacted] informed
towards [Redacted] and then kicked a chair at him, and then attempted to lunge for the interpreter. [Redacted] b2
in front of the ISN to shield the interpreter, and then ISN [Redacted] jumped
dropped to the floor and began yelling that he was being beaten. The detainee received injuries from kicking the
chair [Redacted] on the finger. The detainee then
Neither [Redacted] touched the detainee. [Redacted] b2
The guard force arrived at the interview room to restrain the detainee, however, he is not complying and remains
combative. I instructed [Redacted] and the interpreter were not hurt.
[Redacted] to seek medical attention. The camp doctor examined [Redacted]
[Redacted] to the hospital to receive shots.
