I, [Redacted], WANT TO MAKE THE FOLLOWING STATEMENT UNDER OATH:

I, [Redacted] swear that the summary of [Redacted] oral statement given to BG [Redacted] on 27 May 2004, is accurate and complete. It is not verbatim, but does contain the substance of all statements made by [Redacted]

I have been working with the Americans (Marines) at Habamiyah Palace since the fall of [Redacted]. I was working for the Marines and then starting working for Charlie Battery, [Redacted]. I was at IP station right next to the Charlie base. They were located at the lake area near the canal.

I was in the IP station right next to Charlie in the lake area. I was IP, I am not one today. I worked at the first IP station opened after the freedom of Iraq on the 16th of April. In May, I got an office with the Army as a Colonel. I collect information on who is resisting the American forces. I am working with the Americans to make a good country, free our country and do some good work. Around December-January, I worked with the Marines, then Charlie, and the MPs. I did not know about [Redacted] personally, but heard about when some citizens came over to Charlie and said there is a white Mercedes car putting IEDs on 28th street. The Mercedes with 2 people ([Redacted]) was captured in an ambush by me 7 months ago. They were taken to Charlie. [Redacted] was acting sick at Charlie, but at the time he was first picked up, he acted fine. [Redacted] let him go. Citizens wrote some statements and we gave them to 2-3 FA. They (2-3 FA) talked to the citizens and they confessed. They named [Redacted] as the one that makes the IEDs, [Redacted], and [Redacted]. [Redacted] gave them weapons and money. [Redacted] and [Redacted] were arrested about 5 months ago. An IED was recovered at one of their homes. They were detained at 2-3 FA. Four of the people that were on my team are dead and one other, the uncle of my wife was shot, taken to the hospital by citizens, kidnapped from the hospital and may be beheaded today or tomorrow.

[Redacted] information that comes to us we do not follow straight. We watch it for awhile and see it with our own eyes. We stand on the [Redacted] about [Redacted]. A statement from the [Redacted] owner said that [Redacted] was giving money to her brother [Redacted] and providing the criminals with IEDs. [Redacted] They told her to give up her brother. Her brother was wanted for killing an American officer. [Redacted]

[Redacted] was brought from the street, the story said that he was dead. The Army had brought him. He was at the prison because it was said he was [Redacted] brother and it was said he was sick and died at the prison. [Redacted] saw me there but I did not talk to them. [Redacted] American Intel that [Redacted] came to me ([Redacted]) and I ([Redacted]) wanted a bribe of \$10,000.00. That day that American Intel were in her house, [Redacted] said that she had a spy translator in the American base. His name was [Redacted]. I did not go to interrogations or beat or use a stick on detainees. [Redacted] I do not know [Redacted]. My pictures are all over the place. Groups have been sent by Osama Bin Laden killing my people. On the 20th, 5 cars hit me. I resisted them on the street but my weapon did not work. When I was a policeman, I did not arrest anyone. My job was security with big guys. I did not interrogate people and I did not interrogate people with the Americans. I am not working for money. I only want to clean up the little garbage left after [Redacted]. A Sheik is the leader of a large group of bad guys. That Sheik is a good friend of all the Sheiks in Habamiyah. He has told the ICDC that if the Americans get hit, don't fire back at whoever is hitting them. Now they are making him the leader of some ICDC. The commander of an IP station gives out reports on the hour about who is in the IP station. Every time the IP station gets hit, he is not around. One of his officers is in the Fadyeen. One of his brothers over there is a big Fadyeen leader. [Redacted] The minister accused me of being a spy for the Americans. It was later found out that he was a thief, a liar and a traitor.
