VOLUNTARY SWORN STATEMENT:

On 24 April 2004, I interrogated [Redacted] at the 39th Brigade Detention Facility located at Camp Taji, IZ. [Redacted] had been detained on 4 April 2004 by members of Operational Detachment Alpha 554 after [Redacted]

(b)(1), 1.4(c)

Prior to the interrogation, [Redacted] was medically screened and cleared for questioning. Additionally, prior to actual questioning, I asked the detainee if there were any medical conditions or issues that I needed to be aware of prior to the interview. He said there were none. This line of questioning is part of the standard procedure within our unit and I have followed this procedure with every detainee I have questioned. Also, there were no obvious signs that the detainee had been injured in any way.

During questioning, [Redacted] admitted his involvement in attacks against coalition forces, outlined specifics, and identified others involved. The detainee also stated that he was no longer involved in attacks, primarily due to the pregnancy of his wife.

Again, during my questioning I noticed no signs whatsoever that Mr. [Redacted] had been assaulted, abused or otherwise mistreated by anyone. Additionally, he made no statements to the contrary.

If there is any additional information needed, I would be more than happy to provide oral testimony to the facts surrounding Mr. [Redacted] and his treatment as a detainee with U.S. Forces.
