BASIS FOR INVESTIGATION: About 0830, 02 Aug 04, this office was notified by MAJ [REDACTED] b7c-3, 391st Military Police Battalion (MP BN) Operations, that a detainee had allegedly been struck in the face by an unknown MP in Cougar 3, Camp Redemption, BCCF, AGI.

About 1045, 02 Aug 04, SA [REDACTED] b7c-1, b6-1 interviewed SPC [REDACTED] b7c-4, b6-4, 152nd FA, Abu Ghraib, BCCF, who provided a sworn statement detailing his knowledge of Mr [REDACTED] being slapped by an MP. At the conclusion of the interview SPC [REDACTED] provided a hand drawn sketch of the location where the incident occurred and a copy of a Memorandum for Record (MFR), which he wrote detailing his knowledge of the incident. (See Sworn Statement, Sketch, and MFR for details)

About 1400, 02 August 04, SA [REDACTED] b7c-1, b6-1 and Interpreter [REDACTED] b7c-3, b6-3, Titan Corporation, Baghdad International Airport (BIAP), Baghdad, IZ, interviewed Detainee [REDACTED], Interment Serial Number (ISN) [REDACTED], at compound Cougar 3, BCCF, concerning an allegation of detainee abuse. Detainee [REDACTED] stated that between 0200 and 0300, 04 Aug 04, he was asleep adjacent to the northwest corner of tent 1, compound Cougar 3, behind the concrete air raid bunkers, when he was awakened by a female US soldier yelling at him to wake up. The female soldier was standing outside the fence of the compound. The female soldier was yelling at him to "sit-up, sit-up." Detainee [REDACTED] said he believed the soldiers were trying to do a count of the detainees. Detainee [REDACTED] said he stated to sit up when the female soldier started to curse at him. He said he asked her what had happened and she told him to "shut up." Detainee [REDACTED] said he yelled back at the female soldier to "you shut up." At this time, a male US soldier entered the compound, came over to him, and slapped him across the face. Detainee [REDACTED] said he believed the male soldier slapped him with an open, right hand. Detainee [REDACTED] said the blow caused him to bleed from either the mouth or nose, and it pushed him into the concertina wire at the base of the chain link fence and caused him to cut his left, ring finger. b7c-4 b6-4

Detainee [REDACTED] b7c-4, b6-4 described the soldier who stuck him as a male, dark complexion, average height, stocky build, with a thin moustache, wearing eyeglasses, desert camouflage uniform (DCU), Kevlar helmet, and green flak jacket with numerous pouches. He did not know the soldier's name, but he has seen him working the night shift frequently. He believed he would recognize him if seen again.

Agent's Comment: While interviewing Detainee [REDACTED] b7c-4, b6-4 SA [REDACTED] b7c-1, b6-1 observed what appeared to be several blood stains on the left, front side of his yellow jump suit. When asked about the stains, Detainee [REDACTED] b7c-4, b6-4 stated the blood was from the cut on his finger.

About 1405, 02 Aug 04, SA [redacted] with the assistance of Linguist [redacted], conducted canvass interviews of Detainees [redacted], and [redacted]. All the detainees related a similar incident in which detainee [redacted] was struck in the face by an MP Guard. They each stated that after the escape attempt by three other detainees, they and the other detainees were woke up by the MPs. Detainee [redacted] was standing next to the fence near the bunkers being yelled at by a female MP. The female was using bad words as she yelled. Detainee [redacted] was talking back to her, when a male MP came from outside the fence into the fenced in area. He approached Detainee [redacted] and said something to him. Detainee [redacted] began to talk and the male MP struck Detainee [redacted] in the face with his left hand. They were unclear as to whether the hand was open or closed. Each detainee said he was only struck once. b7C-3
b6-3

About 1430, 02 Aug 04, SA [redacted] and Interpreter [redacted] interviewed detainee [redacted] ISN [redacted] in the Cougar 3 compound. Detainee [redacted] stated he was asleep in tent 1 of the Cougar 3 compound when he was awakened by yelling between 0200 and 0230, 02 Aug 04. US soldiers outside the fence were yelling for all the detainees to get up. There was a lot of yelling and then a male soldier came into the compound and approached Detainee [redacted] who sleeping outside the tent by the concrete bunkers. The soldier yelled something at Detainee [redacted] and then stuck him in the face. Detainee [redacted] could not tell why the soldier struck Detainee [redacted]. Detainee [redacted] described the soldier as male, wearing DCU's, a flak jacket, and a Kevlar helmet with goggles on the top. b7C-4
b6-4

About 1500, 02 Aug 04, SA [redacted] and Interpreter [redacted] interviewed Detainee [redacted] ISN [redacted], in the Cougar 3 compound. Detainee [redacted] stated screaming next to his tent awakened him. When he looked out thru the chain link fence, he saw three detainees handcuffed and seated on the ground. Detainee [redacted] said he got up and walked toward the gate of the compound when he heard a female soldier on the outside of the fence yelling. Shortly afterwards, a male soldier entered the compound and went over to where the concrete bunkers were positioned. Detainee [redacted] said he heard some yelling from that direction and then a slap. He did not know who had been slapped or why. b7C-3
b6-3

Both Detainee [redacted] and Detainee [redacted] could only describe the male soldier as average height and weight, wearing glasses, DCU's, and a green flak vest. Both said they had seen him working the night shift before.

At 1520, 02 Aug 04, SA [redacted] had Detainee [redacted] transported to the In-Processing Medical facility for examination. ILT (PA) [redacted] examined Detainee [redacted]. ILT [redacted] stated he could find no evidence of injury to Detainee [redacted] face. He examined the cut to his finger and stated that it was consistent with a cut received from [redacted]. b7C-3

concertina wire. 1LT [redacted] also examined Detainee [redacted] left ankle since he complained that he had injured it earlier and had difficult walking on it. 1LT [redacted] found no evidence of injury to the ankle either. (See Chronological Record of Medical Care.)

SA [redacted] took photographs of Detainee [redacted] with at the medical facility (See CD for photographs).

Agent's Comment: No crime scene examination was conducted because the compound was closed to allow repairs to the area because of the escape attempt.

About 1830, 02 Aug 04, SA [redacted] briefed MAJ [redacted], 391st MP BN, S-3, BCCF, AGI, concerning this investigation. MAJ [redacted] related he would have the commander and 1SG of the 301st MP CO, BCCF, AGI, contact CID.

About 0800, 03 Aug 04, SA [redacted] met with CPT [redacted] and 1SG [redacted], commander and 1SG, 301st MP Co, BCCF, AGI and briefed them concerning the status of this investigation. CPT [redacted] stated that based upon the initial information provided by the 391st MP BN, he had already determined whom the two involved soldiers. He identified them as SSG [redacted] and SPC [redacted], both of the 301st MP Co, BCCF, AGI, and related that he would have each of them contact the CID office.

About 0905, 03 Aug 04, SA [redacted] advised SSG [redacted] of his Article 31 rights using DA Form 3881. SSG [redacted] waived his rights and provided a sworn statement. In his statement, SSG [redacted] acknowledged pushing Detainee [redacted] down as he tried to stand up, but denied slapping him. (See Waiver Certificate and Sworn Statement)

About 0930, 03 Aug 04, SA [redacted] interviewed SPC [redacted], who provided a sworn statement in which she stated she observed SSG [redacted] slap Detainee [redacted] across the face. At the conclusion of the interview SPC [redacted] provided a hand drawn sketch detailing the location where the incident occurred. (See Sworn Statement and Sketch for details)

About 0900, 4 Aug 04, SA [redacted] coordinated with CPT [redacted], commander, 301st MP Co, BCCF, AGI. After receiving an update on the status of the investigation, CPT [redacted] stated it was his intention to take action amounting to less than courts martial, and no additional investigation was required.

want to make the following statement under oath:

On 02 Aug 04 between 0200 and 0230 I was walking between detainees compounds Cougar 2 and 3. I was headed from the tent 1 to the shower point. I saw a female MP running the same direction as I was headed inside Cougar 3 yelling. I could not understand what she was saying, but from her voice, I could tell she was female. I passed the shower point and reached the Rec area, and I looked east, toward Cougar 3, and saw approximately six MPs standing outside the wire yelling at the detainees to calm down and remain in place. I could hear the detainees yelling, but I could not tell how many there were because the lights were off, and I could not understand what they were saying. The detainees were outside their tents between the wire (fence) and the their tents up by the gate to the compound. There was a single detainee who was at the opposite end of the compound away from the gate, but down by the detainees' tent and bunkers. The detainee was sitting on a pile of sandbags. One of the MPs who was outside the wire, entered the compound thru the gate, passed thru the group of detainees who was waiting there and walked down to where the detainee was sitting on the sandbags. I think the MP was yelling something, but I could not tell for sure. When the MP reached the detainee, he started to holler at him and then he stuck him in the face. I could not understand what the MP was saying, nor could I tell if he struck the detainee with an open or closed hand. The detainee, after being struck in the face, leaned back a little and then covered his face with his hands. At that point, I continued my foot patrol of the compound went to find SGT b7c-4,664-3, the sergeant of the guard. I did not see what happened to the detainee once I walked away.

want to make the following statement under oath:

During the early morning hours of 02 Aug 04, I was on-duty as a guard compound Cougar 3. We came on duty shortly before midnight and took our posts between 0015 and 0020. I was working a roving patrol in the fronts of tent 1 and 2. The evening had been pretty quiet up until 0200 when three detainees escaped from tent 1 of our compound. They cut the fence at the northwest corner of the compound. SPC ██████████, who was sitting east of tent 1, by tent 3, saw a male stand up between the compound fence and the perimeter fence. SPC ██████████ broadcast on her radio that some detainees were trying to escape. When I heard her call, I was between tents 1 and 2. I immediately ran around to northwest side of tent 1 and found three detainees lying on the ground. SPC ██████████ and I handcuffed and searched the three detainees. We lead them to the front of tent 1 and separated because we were going to place them in other tents. I knew that the detainees had come from tent 1 because I recognized one of them while we were handcuffing them. While we were doing this, SPC ██████████ saw the whole in the fence. SPC ██████████ was positioned to watch the whole in the fence to prevent any other detainees from escaping. I was up front with the escaped detainees when I heard SPC ██████████ yelling at one of the detainees. I could hear them arguing. SPC ██████████ was telling the detainee to "shut up," and the detainee was yelling back, "No, you shut up." I went back to see what SPC ██████████ was doing and I asked her what was going on. SPC ██████████ told me she was arguing with a detainee who was eying the hole in the fence and refusing to turn around and not watch the fence. I told the detainee that he needed to comply with SPC ██████████ instructions and "shut up" when she told him to do so, and he said, "Fuck you, mister. You shut up." I asked the detainee to repeat what he said and he just looked at me. At this point, I walked around the compound and went in the gate. I walked up to the detainee who was seated on his bed of sandbags next to concrete bunker, and told him that he needed to comply with our instructions. The detainee would not reply and he just gave me a very defiant stare. At that moment, he reached down, braced his hands on the sandbags, leaned forward, and started to propel himself upward toward me. I thought he was either going to jump me or push me backwards into the concertina wire that was at the base of the compound perimeter fence. I instinctively raised my left hand and shoved him down by placing my left hand on his right shoulder and pushing. That forced him back down on his sandbag bed. I then stepped back and warned him not to assault me. The detainee sat back down and placed his head in his hands and said, "Yes, mister. No problem." I turned and left the compound.

STATEMENT OF SSG [REDACTED] 67C-5,66-5 TAKEN AT Abu Ghraib CID Office

DATED 03 Aug 04

CONTINUED:

Q: SA [REDACTED] 67C-1,66-1

A: SSG [REDACTED] 67C-5,66-5

Q: Did you ever slap the detainee?

A: No, I raised my hand and pushed him down because I thought he was getting ready to assault me.

Q: Why would other soldiers and detainees who observed your actions say that you slapped the detainee?

A: I don't know. It could have been the distance they were from me when the incident occurred.

Q: Could you have brushed the detainee's face when you pushed him down?

A: I don't know. I could have; it was just a reaction to get him down. It's hard for me to explain because it happened so quickly.

Q: Do the detainees frequently challenge the authority of the MPs?

A: Yes.

Q: What are your instructions concerning handling uncooperative detainees?

A: It depends on their level of aggressiveness. If they are just uncooperative we take away privileges - ice water, cigarettes, and things like that.

Q: What are your instructions about laying hands on detainees?

A: Only in self-defense. I don't even like to touch them when I have to hand cuff them.

Q: Would slapping a detainee be against your policies?

A: Yea.

Q: Have you ever had a problem with this detainee before?

A: No, not me personally, but I knew he had a reputation of being a troublemaker. I know that he's a rock thrower too.

Q: When you pushed the detainee did he end up in the concertina wire?

A: No. Not even close to it.

Q: Do you know anything about a cut on the detainee's left hand?

A: I heard about it at the end of watch. He complained to the NCOIC that he'd cut himself on the concertina wire. I think the NCOIC told the medics to look at him.

Q: Why did you feel the detainee was going to assault you?

A: The defiant look he gave me, the way he braced himself to stand and his hostile attitude toward our instructions and the MPs in general.

Q: Why did you feel it necessary to push him back down when he tried to stand up?

A: It was just a quick reaction to his moves. At that very moment I felt threatened by his actions. 67C-4,66-4

Q: Why did you feel it was necessary to go into the compound when he was arguing with SPC [REDACTED] 67C-4,66-4

A: I wanted him to move away from the hole in the fence and he was refusing to comply with SPC [REDACTED] orders.

Q: Had you heard SPC [REDACTED] 67C-4,66-4 order the detainee to move to the front of the enclosure?

A: No. I only heard him arguing with her about being quiet.

Q: How close to the hole in the fence was the detainee?

A: about eight to 10 feet.

Q: What were the lighting conditions like in the area where the encounter took place?

A: Shadowy for me, but the surrounding area was pretty dark.

Q: Do you have anything to add or change in this statement?

A: No, I think we've talked about just about everything.

File Number: ~~0024-04-CID389-80640~~ 0127-04-CID789
Location: Abu Ghraib, Iraq
Date: 3 August 04
Statement of: [Redacted]
SSN: [Redacted]
Org/Address: 301st MP Co., Abu Ghraib, Iraq (San Juan, Puerto Rica)

I, [Redacted], want to make the following statement under oath: I am making this statement freely. At approximately 0200, 2 Aug 04, I was posted at tent three in Cougar three and was getting ready to conduct a perimeter check. I noticed movement along the High Risk Detainees (HRD) wall near tent one. I stood and took a couple steps forward, at which point I realized that the movement was from a detainee. I started running toward the detainee and informed the NCOIC, SSG [Redacted], by radio, that there was a detainee out. As I got closer I yelled for the detainee to stop, and realized that there were actually three detainees and they did stop. I and the other MPs on duty arrived at the detainees' location at the same time. The detainees were hand cuffed and put into three separate tents, other than tent one. When we located the hole in the fence where the detainees had gotten out, I stood outside the fence to make sure no other detainees attempted to escape. There was a detainee sitting about 15 feet in front of me inside the fence. He was staring at me, so I asked the detainee to turn around. He just looked at me, so I told him again to turn around, using my hand to motion the action. The detainee became very angry and yelled at me to shut up. I may have used curse words. I told him to be quiet and turn around. At this point the detainee turned around and PFC [Redacted], who had been standing next to me, walked away. I stayed at the hole in the fence and then noticed that SSG [Redacted] had walked in to the tent area toward the detainee. He and the detainee were talking and the detainee was yelling at him. I was unable to hear what was said but I did see SSG [Redacted] slap the detainee once in the right jaw. SSG [Redacted] then walked away.

Q: SA [Redacted]
A: SPC [Redacted]
Q: Where did SSG [Redacted] come from before entering the tent area?
A: I don't know, I could not see the gate, so I don't know.
Q: Why did he enter the tent area?
A: I assume it was because the detainee was not listening to my commands.
Q: Describe exactly what you saw when you saw SSG [Redacted] slap the detainee.
A: The detainee was standing, I believe, in front of SSG [Redacted] and then SSG [Redacted] slapped the detainee with an open hand on the right jaw. It was a slap; it did not have a pushing motion to it. The detainee sat immediately down.
Q: Where were you standing relation to the detainee and SSG [Redacted]?
A: I was standing outside the fence. The detainee was standing inside the fence about 15 feet away with his back towards the bunker. SSG [Redacted] was standing in front of the detainee with his back towards the fence.
Q: Could you see SSG [Redacted] and the detainee clearly?
A: Yes.
Q: Did SSG [Redacted] slap the detainee with his left or right hand?
A: He used the left hand and he is left-handed.
Q: Describe the lighting.
A: Yes it was well lit. I don't know exactly where the lights are located, because they have been moving the lights recently.

Q: Was the detainee being belligerent towards you or SSG *b7c-5,66-5* [redacted]
A: Yes, he was yelling at both of us. He told me to shut up. He was being very uncooperative. The way he was yelling at me, was challenging my authority in front of the other detainees. He also was yelling at SSG [redacted] in front of the other detainees. This camp is for the worst detainees we have here. It is very important that we as guards have total authority over these detainees. The way the detainee was treating SSG [redacted] and myself compromised our authority, which could one day compromise our safety.

Q: How was the detainee standing in front of SSG *b7c-5,66-5* [redacted]

A: He was standing directly in front of SSG [redacted] about two feet away.

Q: What did the detainee do after he was slapped? *b7c-5,66-5*

A: He stopped talking and sat down on the sandbags.

Q: Did he fall in the barbed wire around the camp after he was slapped?

A: No, I did not see that.

Q: How long after the escape attempt, did this incident occur?

A: About ten minutes. *b7c-5,66-5*

Q: How long had SSG [redacted] been getting yelled at by the detainee before he slapped him?

A: About 30 seconds.

Q: Did you see any marks or blood on the detainee after the incident?

A: No, I did not have any interaction with the detainee after the incident.

Q: Give me a brief history of this detainee's daily conduct.

A: He is one of two that are really bad. He has never been cooperative. He yells at us on a daily basis and he hardly ever does what we ask him to do. If had an isolation booth available to discipline unruly detainees, he would be in there often. We have no means, other than taking cigarettes away, for individual discipline to handle detainees like him. He even throws rocks at us from time to time. He throws them from inside the fence at us. He even threw rocks at us that day. All we can do is tell them to stop. This is the place where the worst detainees go. There is no other place left.

Q: Do you have anything to add to this statement?

A: No. ///END OF STATEMENT/// *b7c-4,66-4* [redacted]
