Mr [Redacted]

[Redacted] any aggressive treatment of detainees. I did [Redacted] one detainee who appeared to have blood shot eyes and what appears to be blood that congealed to his eyelashes. I am following this e-mail up with an EC and enclosure that will contain a CD with the original Raw files and images converted to the TIFF format. I am also including prints ranging from full face to close ups of the detainee's eyes.
