LE PRÉSIDENT

Geneva, 25 June 2003

Mr Secretary of State,

Even if it is with some delay I wish to thank you warmly for the open and enriching discussion end of May in Washington. I thank you also once more for the generous support by the United States to the ICRC and the trust you place in our institution. Given that Guantanamo was an important part of our Agenda I send you copy of my letter addressed to Under-Secretary Douglas J. Feith whom I met in the afternoon of May 27.

Yours sincerely,

Dr. Jakob Kellenberger

Encl.

The Honorable  
Collin L. Powell
