4. (U) Talking Points

For all posts:

-- At mid-afternoon local time February 15, a U.S. military aircraft arrived at the U.S. Naval Base, Guantanamo Bay, Cuba carrying a number of individuals detained in relation to military operations in Afghanistan. These included (number) national(s) of your country. The USG does not intend to make names of the individuals being detained at Guantanamo Bay public at this time.

B1

For all posts:

-- These individuals pose a threat to the United States and international peace and security. For operational and security reasons, we have transported them to the U.S. Naval Station at Guantanamo Bay.

-- All detainees will be treated humanely.

-- The United States is evaluating the possibility of prosecuting these detainees in a U.S. forum.

-- We are also evaluating the possibility of returning certain individuals to their country of nationality for further legal action. Before making any decisions, however, we seek additional information.

-- If you have information concerning these detainees, and especially information concerning any criminal conduct (including violations of the laws of war) that they are alleged to have committed, we would appreciate receiving that information through the law enforcement liaison at our embassy.

-- We would hope that you would be able to prosecute vigorously all of your nationals who have aided al-Qaida terrorists.

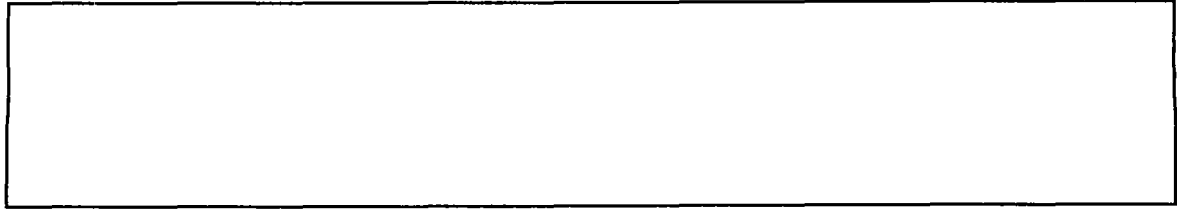

-- Do you have any information from your own sources that connects these persons with al-Qaida or the Taliban?

-- Are there any charges pending against these persons in your country? If so, what are those charges and against whom have they been brought?

-- Would these persons be subject to prosecution in your country, and if so, for what crimes? For crimes committed inside your country? For crimes committed outside, including for acts related to the Afghan conflict or terrorist acts?

-- What types of punishments are available under your law for offenses that have been or might be brought against these persons in your country?

5. (U) Reftel B provides detailed guidance regarding requests for access to detainees in Guantanamo.
