Subject: Embassy Mexico Guidance Request re: GTMO detainees

Jonathan, Ronald - yours name were given to MEX by WHA/CCA and DRL as the folks in this building responsible for GTMO prisoner issues. Tried calling you this morning. Wanted simply to ask whether you could respond to Embassy Mexico City's request for guidance (Mexico City 4515) in answering an Amnesty inquiry regarding the treatment of detainees who are minors. Alternatively, I could draft, but would need some background and/or reference to an appropriate DOD contact for guidance/background.

Many thanks, Diana Valderrama (WHA/MEX, 79292)
