Message: For your and Will's information, here is Urs's follow-up message to Chuck Allen and to BG Jack Kern whom he saw at CENTCOM on 28 February.

Thanks for your help with arrangements last week -- and for Lavoyer next week. You are of course welcome to attend Prof. Adam Roberts lecture at Brookings 10.30 am on Monday, 11 March as well as any of your colleagues. It is on IHL and Counter-terrorism.

Interesting Wash. Post piece in Sunday's Outlook section by the Federalist Society team -- I'm faxing it to Lavoyer.

Question: do you know how one could contact the ABA group that issued a paper on the Guantanamo detainees, that I recall called for POW status for them?

Thanks and regards,

*Frank*
