New York, NY 10004-2400

Dear Ms. Singh:

I refer to our letter of January 12, 2005, regarding the release of certain Department of State material under the Freedom of Information Act (Title 5 USC Section 552).

As you may recall, further coordination was required before a decision could be made as to the release of two of the documents previously retrieved in Segment L041 in response to your request. The coordination has now been completed and we find that one document may be released in full and the other document may be released with excisions. The released documents are enclosed.

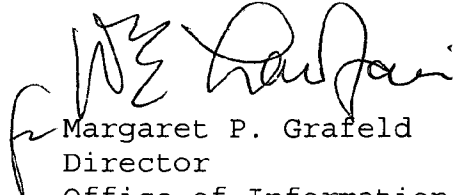

Material excised from the document being released in part is exempt from release under subsection (b)(5) of the Freedom of Information Act because it is protected by the deliberative process privilege, attorney client privilege,

attorney work product privilege, and/or another privilege incorporated by subsection (b) (5).

We have now completed the processing of this segment.

Sincerely,
