Subject: ACLU Litigation Matter concerning Treatment of Detainees

NON-RECORD

This message is being sent to: Headquarters Employees Only.

On Friday, September 17, 2004, at 3:11 p.m., an e-mail was erroneously sent to all FBIHQ employees regarding captioned matter. All employees are requested to disregard the instructions outlined in that e-mail and the Electronic Communication that was attached.

The Records Management Division and the Office of General Counsel, are working together to ensure that each Division/Office at FBIHQ conducts the appropriate search for records, as ordered by the United States Court, Southern District of New York. RMD has provided guidance to all Division/Office Front Offices on Friday, September 17, 2004, and again today, via e-mail regarding this matter.

Any employee that may have questions or documents regarding this matter is requested to work with their Division/Office's Front Office and designated Point of Contact. RMD is working, as appropriate, with each Division/Office's Point of Contact regarding the review and production of documents for this order.

Again, RMD is sorry for the confusion that the initial Friday e-mail may have caused.

William L. Hooton
Assistant Director
Records Management Division
