Julie,

I need you to assign one of your attorneys to supervise a para (or do it him or herself) to prepare a chronology of events relative to FBI involvement with the issue of treatment/mistreatment of detainees. The goal is to have a document that will be of use for briefing the Hill when/if they ask for it. [redacted] is cc'd b/c he has the universe of documents they will need. Some judgment needs to be used in terms of what should go in the chron.

I've attached documents that do some of this already.

My attorneys have completed the final time line relating to detainee issues. In light of your recusal, should I forward this to Pat when it is married up with the source documents?

The chronology is a document being prepared for Valerie Caproni. I passed the request for documents to Valerie upon her return and it was my understanding she would be reaching out for [redacted] discuss it with him.

Hi Julie -- This is to follow up on your conversation [redacted] late last week when he indicated we would be asking for a copy of all records identified in connection with the FOIA litigation over detainee records. As I understand the two of you discussed, we'd like the unredacted version of all documents located in response to the request, including those that were denied in full to the requester. He said you indicated a chronology was being prepared for Judge Gonzales for his confirmation hearing, and he asks that a copy of that be provided as well. If there are other relevant documents on this topic, they should be included. Thanks much, [redacted]
