- B. Soft Body Armor IIIA with capabilities to insert level IV plate. (Funding transferred 03/23/04 from CTD to Training Division for body armor for 18 agents)
- C. Digital Cameras with additional memory cards (1G byte) - (Requesting one per agent)
- D. Recommend that CRU consider swapping-out ALL existing laptops in Theatre. Many, if not all, computers have been here without an update in software for two years. This would remove the excess clutter and fragmented hard drive issues and perhaps improve the operating speed.
