Per our conversation yesterday, these are recommendations I sent from Afghanistan during my short time there. I advised yesterday that I was in Afgh in June 04, that is not accurate. As you can see from the attachment and email I was there in May 04...sorry about that.

Re the email below and the attachment above, I do not/not stand by these recommendations as all conclusive. In fact, these should recommendations should be reviewed again. The value added in this document, however, is that it presents a list of investigative tasks being performed by the FBI overseas. Any new FBI policy created re overseas investigations should address these areas.

Also, I just spoke to [redacted] at WFO. [redacted] will meet and discuss these matters with you ASAP. [redacted] can be reached [redacted] has pertinent information re this topic.

Thanks, more to follow. [redacted]
