Per AD Hulon's request, I am setting up a meeting with [redacted] and members at the DAG's office to discuss issues relative to our mission overseas in Iraq that could possibly impact our mission in Afghan. Specifically, we want to try and iron out a few issues: the intel v. criminal argument when questioning detainees (Iraq and/or Afghan); the use of admonishments; DOD's role in the criminal process (their reluctance to id themselves after a SSE); and any other issue that has come up recently in Iraq and possibly Afghan.

Tentatively the meeting is scheduled for 3pm on Friday at main justice, room 4133.

I need to send names to [redacted] of those that can and should be there. Please advise if you can make it and/or send a stand-in
